FABRIC SOFTENER SHEETS
La Parisienne Sunshine and White Jasmine

MATERIAL SAFETY DATA SHEET

IN CASE OF EMERGENCY :(514) 526-7783

Date issued: May 2008

PRODUCT IDENTIFICATION:

Product name: Fabric Softener sheets – La Parisienne Sunshine and White Jasmine
Chemical name: Blend of softener base and perfume on a synthetic fabric sheet
Product use: Fabric softener sheets for dryer

HAZARDOUS INGREDIENTS:

Hazardous ingredient	%	ACGIH TLV	Cas N ^o
None			

PHYSICAL PROPERTIES:

Appearance and Odor: Off-white, waxy sheets of synthetic fabric, pleasant fragrance.
Boiling Point (° C): N. Av.
Melting point: N. Av
Specific gravity: Not Appl
Evaporation point: N.AV.
Solubility: Not Appl

REACTIVITY DATA:

Stability: Stable
Hazardous polymerization: Will not occur
Materials to Avoid: Strong acids, alkalis or oxidizing agents
Reactivity: This product presents no significant reactivity hazards.

FIRE AND EXPLOSION DATA

Flammability: Unknown
Flash point: > 93°C (200° F) (closed cup)
Fire extinguishing media: Foam, carbon dioxide, dry chemical
Hazardous combustion products: Sulfur and nitrogen compounds

TOXICOLOGICAL AND HEALTH DATA:

Route of entry: Skin, eyes, ingestion

Toxicological data: Not listed as carcinogen

Irritancy of material:

-skin: can cause skin irritation upon prolonged contact. Allergic reaction may occur to some individuals.

- eye contact: may cause redness, tearing, blurred vision

- ingestion: should someone manage to ingest a dryer sheet, gastrointestinal irritation, nausea, vomiting and diarrhea are among the anticipated possible effects.

FIRST AID MEASURES:

Skin contact: Wash with water. Obtain medical attention if irritation persists.

Eye contact: Irrigate the eyes with water for at least 15 minutes. Obtain medical attention if irritation persists.

Ingestion: Rinse mouth with water. Drink a glass of milk or water. Obtain medical attention.

PREVENTIVES MEASURES:

Skin protection: Avoid prolonged contact with skin. Use good personal hygiene practices.

Eye protection: Avoid contact with eyes. Use good personal hygiene practices.

Engineering controls: Normal ventilation

Storage temperature: Store in a cool, dry, ventilated area. Store away from heat and source of ignition.

ENVIRONMENTAL PROTECTION DATA:

Waste disposal methods: Dispose of in accordance with local applicable laws and regulations.
