La Parisienne – Laundry Stain Remover

SECTION 1 : PRODUCT IDENTIFICATION

Product name: **LA PARISIENNE LAUNDRY STAIN REMOVER**

Product use: Laundry Stain-Remover

WHMIS Class: D1A, D2B, E

TDG Classification: No , consumer product

UN Number: not applicable

Manufacturer: Lavo Inc

Address: 11900 boul St-Jean-Baptiste
Montreal, QC H1C 2J3

Telephone: 514-526-7783

Emergency Phone: Canutec (613) 996-6666

SECTION 2: HAZARDOUS INGREDIENTS

<u>Ingredients</u>	<u>Cas #</u>	<u>Wt %</u>	<u>TWA</u>	<u>LC₅₀</u>	<u>LD₅₀</u>
Butoxy-2-ethanol rat)	111-76-2		3-7	50ppm(skin) 450 ppm/4h (rat)	470mg/kg (oral,
Pareth – 25.8	68131-39-5	3-7			n. Avail
Sodium Metasilicate	6834-92-0	1-5			622mg/kg (oral, rat)

SECTION 3: PHYSICAL DATA

Boiling Point (°C): ~100

Vapor pressure (mm Hg): n.a.

Vapor density (Air = 1): n.a.

Solubility in water (20°C): Complete

Physical state: Liquid

Appearance and odor: Yellow transparent liquid,
fragrance and solvent odor

Specific gravity (H₂O=1): ~1.024 g/ml at 25°C

% Volatile (% w/w): 92

Evaporation rate (Water =1): 1

pH (as is): ~12.0 – 13.0

Viscosity: 20 cps at 25°C

Odor threshold: n.d.

SECTION 4: FIRE AND EXPLOSION DATA

Flammability: non flammable, non combustible

Flash point (TCC, °C): >95

LEL: n.appl.

UEL: n.appl..

Hazardous combustion products: smoke, carbon oxides, nitrogen oxides.

Means of extinction (°C): Water, foam, dry chemicals, carbon dioxide.

Special fire hazards: A stream of water directed into the product can generate a lot of foam.

LA PARISIENNE - Laundry Stain Remover

SECTION 5: REACTIVITY DATA

Conditions for chemical instability: This product is stable under normal conditions. It does not polymerize.
Incompatible materials: Strong oxidizing agents, strong concentrated acids.
Conditions of reactivity: Heat may evolve
Hazardous decomposition products: None.

SECTION 6: TOXICOLOGICAL PROPERTIES

Route of entry: Eyes, skin, ingestion, inhalation.

EFFECTS OF ACUTE EXPOSURE:

Eye: Corrosive. Extremely irritant.

Skin: Corrosive. Extremely irritant.

Ingestion: Corrosive. Toxic

Inhalation: Breathing high concentration may cause headache, nausea, vomiting, dizziness.

EFFECTS OF CHRONIC EXPOSURE:

Irritancy: Repeated and prolonged skin contact may cause some irritation: skin dryness, redness, oedema.

Sensitization: Not sensitizing

Carcinogenicity: Not available

Teratogenicity, Reproductive Effects: not expected to occur.

Mutagenicity: Not available

Synergistic materials: Not known

LA PARISIENNE - Laundry Stain Remover

SECTION 7: PREVENTIVE MEASURES

Glove: Plastic or rubber gloves recommended.

Eye protection: Safety glasses with sides shields to manipulate large quantities.

Respiratory protection: Not required if the ventilation is sufficient. Wear respiratory mask NIOSH/MSHAA approved with cartridges in case of large spill and if the ventilation is NOT sufficient.

Other protective equipment: Waterproof boots if large spill.

Engineering controls: Shower and eye wash station if large quantities are manipulated. Provide adequate local ventilation.

Leak and spill procedure: Wear protective equipment. Stop the leak. Pump product into drums for disposal or absorb with an inert absorbent material and place into containers for disposal.

Waste disposal: According to existing federal, provincial and municipal regulations.

Storage requirements: Keep in original tightly closed container, in a well ventilated room.

SECTION 8: FIRST AID

Eye: Immediately rinse with plenty of water for at least 15 minutes. Keep eyelids open. Seek medical attention

Skin: Rinse with water. Wash contaminated clothes before wearing. Seek medical attention should an irritation develop.

Inhalation: Bring the person to fresh air.

Ingestion: Seek medical attention immediately or call a Poison Control Center

SECTION 9: PREPARATION INFORMATIONS

Date: November 6, 2007

Phone: (514) 526-7783

Prepared by : Lavo Inc (QC dept)

Disclaimer

Information for this material safety data sheet was obtained from sources considered technically accurate and reliable. While every effort has been made to ensure full disclosure of products hazards, in some cases data is not available and is so stated. Since conditions of actual product use are beyond control of the supplier, it is assumed that users of this material have been fully trained according to the mandatory requirements of WHMIS. No warranty, expressed or implied, is made and supplier will not be liable for any losses, injuries or consequential damages which may result from the use of or reliance on any information contained in this form. If user requires independent information on ingredients in this or any other material, we recommend contact with the Canadian Center for Occupational Health and Safety (CCOHS) in Hamilton, Ontario (1-800-263-8276) or CSST in Montréal (514-873-3990).
